Plans After High School: After high school I will be furthering my academic and athletic careers at Louisiana State University.

How has participating in high school athletics benefited you? High school sports have helped me make life-long friendships and further my academics.

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month? I decided to play football because my older brother played. I wanted to be just like him – running around the field and hitting people.

Quote from Athletic Director: "What I'll remember most about Corey's high school career is the humility he has always shown. His athletic gifts are amazing and has allowed him to have a career only few others have had, but inside the school walls he is a student and classmate to

everyone. He is a "Yes, Sir/No, Sir" person – very polit and down to Earth – but extremely focused and determined. I can't wait to see him at LSU." – Steve Rossi

Quote from Principal: "Corey Kiner is a superb football player, but he is a better young man. Kind, self-disciplines, respectful, hard-working, caring. The LSU football team, student body and community will be a better place because Corey is there." – Steve Schad
