**How has participating in high school athletics benefited you?** High school athletics overall just made me the young woman I am today. I enjoy helping others, being a positive role model and leader, and pushing hard to succeed. Sports helped mold me into the person I am today.

**What made you decide to play the sport for which you were named the Penn Station Athlete of the Month?** Playing Basketball was always my favorite, but it wasn't enough. Volleyball challenged me greatly. I wanted to play because I knew doing so would help me both on and off the court.

**Quote from Athletic Director:** Leigh Ann is the hardest working person I know. Her leadership on and off the court is exceptional. She strives for excellence and in doing so picks up her team to strive for excellence as well. With having a positive attitude and a smile on the court, as a coach I know the team is in good hands.

**Quote from Principal:** Leigh Ann is a proven leader. She is well respected by teachers and her classmates. She makes the most of her high school experience. She strives for excellence both in and out of the classroom. Leigh-Ann is an administrators dream.
