Favorite Inspirational Quote: Fate whispers to the warrior, "You cannot withstand the storm." The warrior replies, "I am the storm."

Role Model: My little league coach, John Ferritto, my high school coach, Jay Cobb, and my father. All three men have taught me the most fundamental concepts every young man needs to learn, how to work and how to persevere when faced with adversity. Whether it be in life, school, sports, or anything else, these two qualities provide an unbreakable foundation for success.

Greatest Achievement So Far: Earning the Varsity Lacrosse Leadership Award this past season.

Sports Hero: Ken Griffey Jr.

Volunteer Organizations I am involved with: Trinity High Eucharistic Minister, 140+ hours of community service while a Trinity High School. I have volunteered at the Food Bank, made pillows for the homeless community, tutored underclassmen. Special Needs Olympics.

Plans After High School: I plan to attend college and major in Biology while playing football at the collegiate level on a scholarship. Afterwards, I want to apply for Medical School to be an Orthopedist or a Physician.

Do you plan to continue sports after high school? Yes, I plan to play Football in college.

Interesting Facts: I am the only 3-year starter on both the Trinity Football Team and the Lacrosse Team. I was voted "All-District" my Junior Year & Pre-season "All-District" Senior Year. I am a Defensive Captain for my team. I have lived in 3 different states which I feel gives me a different point of view and has opened my mind to be more accepting of different people and ways of life.
